TASK & FINISH REVIEW:

The Committee at its FWP Development Session held on 9th April 2021, considered a topic suggestion received from Llandyfaelog Community Council suggesting that the Committee consider the issues in relation to fly-tipping in Carmarthenshire. Committee Members recognised that fly tipping was an increasing problem in Carmarthenshire and that the consequence of fly-tipping had a detrimental effect on the environment and communities.

The Committee at its meeting on 2nd July 2021 unanimously resolved that its Task and Finish arrangements for 2021-22-23 would be as follows:

- 1) *Review on the Fly tipping within Carmarthenshire
- 2) Review on Dog Breeding in Carmarthenshire.

Update: The Task and Finish Group at its first meeting on 8th September, 2021 received an update from the Director of Environment on internal matters that had arisen since the Scrutiny Committee agreement on its Task and Finish arrangements and the endorsement of the review planning and scoping document in July. Considering the information received, the Group unanimously agreed to defer the review on Flytipping to 2022 following the Election process. The Committee at its meeting on 25th November 2021 received and noted a report from the Task and Finish Group which outlined the reasons for the deferral. A revised Planning and Scoping Document is scheduled for 24th November 2022.

**This decision supersedes the Committee’s decision made at its meeting held on 15th November 2019 – “unanimously resolved that dog breeding in Carmarthenshire be the subject for Committee’s next Task and Finish review in 2021”.*
