

STATEMENT OF REASONS

THE COUNTY OF CARMARTHENSHIRE (IMPOSITION OF 30 M.P.H SPEED LIMIT)

(B4304 COASTAL LINK ROAD) (No.1) ORDER 2024

The lower speed limit is considered necessary to ensure improved road safety and control of traffic speeds in the vicinity of the Pentre Awel Development, where an increase of active travel along and across the B4304 to the Pentre Awel Development, nearby housing estates and the NCN coastal path is expected.
