

Course:	British Sign Language
Course Level:	Beginners, Level 1
Accreditation:	Agored Cymru
Mode of learning:	2 hours per week for 10 weeks
What's Involved?	Whether you want to order meals, buy tickets or ask directions, you can learn how to ask the questions, and to understand the answers given!
How is my progress assessed?	From the start you'll agree goals with your tutor and form your own learning plan. You'll keep your work in a portfolio and track your own learning. Your tutor will assess this and give you regular feedback to help you improve.
Is it for me?	You won't need any prior knowledge of BSL, and each lesson builds on what we've covered previously (but you will need to do some work during the week).
Will I need to buy any extras?	Your tutor will advise you.
Anything else I need to know?	Bring a notebook and pen.
What can I do next?	Continue learning on a further course of 10 weeks
