VALIDATION - UNDELIVERABLE SAVINGS PROPOSALS / INCOME TARGETS		
Citizens Advice Bureau	28 Not able to be delivered without impacting service users	
Corporate Health & Safety	290 The original savings proposal has been superceded by individual savings proposals made departments, and further delivery is not possible	
Corporate Standby	49 The original proposal included standby savings relating to Hydrology. As this function is now outside the Authority, the standby saving cannot be made	
School Music Service	150 Funding required to maintain current level of delivery	
Planning	325 Recent years have been overspent following a national trend of a reduction in the number of large scale planning applications which attract significant fees
