If you are still unsure if your vehicle requires one you can use our online checker.

Hire Vehicles If you're using the facilities with a short term hired van you will be allowed to dispose of household waste only. Provision of a rental agreement and proof of residency will be required on site. The hire agreement must be for 3 days or less.

- Adapted vehicles for disabled use will not require permits.
- No commercial/industrial waste will be allowed to enter into the recycling centres.
