### Definitions

#### **Employed (in employment):**

A person aged 16 to 74 is defined as employed (or in employment) if in the week before the census they carried out at least one hour's paid work, either as an employee or self-employed. This includes casual or temporary work, on a government-sponsored training scheme, doing paid or unpaid work for their own or family business, being away from work ill, on maternity leave, or on holiday or temporarily laid off.

#### **Industry:**

The industry in which a person aged 16 to 74 works relates to their main job, and is derived from information provided on the main activity of their employer or business. This is used to assign responses to an industry code based on the Standard Industrial Classification 2007.

## 2011 Census data for Carmarthenshire County Council – Industry of Employment (Females)

### **Industry, Other:**

*'Other industry' includes the arts, entertainment and recreation industry; other service activities; the activities of households as employers, undifferentiated goods and services producing activities of households for own use industry; and the activities of extraterritorial organisations and bodies industry.*

### **Main Job:**

*The 'Main job' of a person aged 16 to 74 is the job in which they usually work the most hours. For people not working at the time of the census the main job relates to the person's last job. Topics based on employment all relate to a person's main job.*
