### Definitions:

#### Household

A household is defined as one person living alone, or a group of people (not necessarily related) living at the same address who share cooking facilities and share a living room or sitting room or dining area.

A household must contain at least one person.

#### Tenure:

Tenure provides information about whether a household rents or owns the accommodation that it occupies and, if rented, combines this with information about the type of landlord who owns or manages the accommodation.

#### Tenure – private, rented or other:

Accommodation that is 'private rented, other' includes accommodation that is rented from an employer of a household member, relative or friend of a household member, or other non-social rented accommodation.

#### Tenure – social rented, other:

Accommodation that is 'other social rented' includes accommodation that is rented from a registered social landlord, housing association, housing co-operative or charitable trust.
