1. INTRODUCTION

The basic powers for paying salaries and allowances to Councillors are provided in the Local Government and Housing Act 1989, Section 100 of the Local Government Act 2000 and in Regulations made by the Wales Assembly Government namely The Local Authorities (Allowances for Members of County and County Borough Councils and National Park Authorities) (Wales) Regulations 2002. These Regulations require the Council to make a scheme for the payment of salaries and allowances in respect of the current year and subsequent years.

The Local Authorities (Allowances for Members) (Wales) Regulations 2007 provided for the establishment of the Independent Remuneration Panel for Wales (IRPW) to review councillors' allowances in Wales. The Panel was established in January 2008 to prescribe the maximum levels of salaries and allowances payable by County and County Borough Councils in Wales. Following the approval of The Local Government (Wales) Measure 2011 the IRPW's remit has been extended to National Parks and Fire and Rescue Authorities in Wales and the Panel can also now prescribe the levels of allowances / salaries to be paid rather than recommend the maximum levels of allowances that could be paid.

The Council is required to publish its Members' Salaries and Allowances Scheme, any amendments thereto, and details of the amounts to be paid and that are paid to Councillors each year in respect of Basic, Senior and Civic Salaries and travelling, accommodation, subsistence and care allowances. Similarly it also has to publish details of the amounts to be paid and that are paid to Co-opted Members in fees and the amounts paid to them in travelling, accommodation, subsistence and care allowances.

The Council is required to produce within 4 weeks of the Council's Annual Meeting an annual Schedule of Member Remuneration outlining the payments it intends to make to its members and co-opted members during the forthcoming financial year. A copy of the schedule must be published and forwarded to the IRPW by the 31st July each year. By the 30th September each year the Council must also produce and publish a Schedule of Member Remuneration outlining the payments made to its members and co-opted members during the previous financial year

The schedule of proposed payments is appended to this scheme as **Appendix A** and will be reviewed by the Council at its Annual Meeting each year.

The Council's Care Allowance Scheme is appended to this scheme as **Appendix B**
Details of Councillors and Co-opted Members' rights to Family absence are appended to this scheme as **Appendix C**

Details of Councillors' and Co-opted Members' job profiles and person Specifications are appended to this scheme as **Appendix D**

What is required to be published in the schedule of member remuneration by the 31st July each year is set out in **Appendix E**

1.1 Renunciation

Councillors may elect to forego any part of their entitlement to a salary or an allowance by giving written notice to the Chief Executive. However, ***Social Security rules take into account any income that is available to Councillors even if they choose not to take advantage of it. Thus, even though Councillors may elect to forego their allowances, the Benefits Agency or the Council's Housing Benefits Section can treat Councillors as if they had been paid the allowances and reduce their benefits accordingly. For further information please see section 10 below***

1.2 Right to Family Absence

A councillor must notify the Chief Executive in writing of his/her intention to take up his/her entitlement to a period of family absence, the councillor may be absent from meetings of the council during that period of family absence. This right will also be available to members of the Executive Board.

Family absence relates to the following:

- Maternity absence
- Newborn absence
- Adopters absence
- New adoption absence
- Parental absence

Details in respect of the above are set out in APPENDIX C of this scheme

During a period of Family absence a Councillor's basic or senior salary will continue to be paid in full.

In the event of a senior salaried member being on a period of family absence the Authority may decide to appoint a substitute member, in which case the substitute member will be eligible to be paid a senior salary if the Authority so decides.

2. SUSPENSION OF COUNCILLORS

Where a councillor is suspended or partially suspended from being a member of the Council (Part III of the 2000 Act refers) the Council will not make payment of the basic allowance or any allowances claimed for the duration of the suspension (Section 155(1) of the LG Measure). The payment of any allowances claimed during the period will also be withheld.

Where a councillor is suspended or partially suspended from being a member of the Council (Part III of the 2000 Act refers) and is in receipt of a senior salary, the Council will not make payments of the councillor's senior salary for the duration of the suspension (Section 155(1) of the LG Measure). If the partial suspension relates only to the specific responsibility element of the payment of senior salary, the councillor may retain the basic salary

Where any type of allowance has already been paid during a period when a councillor has been suspended or partly suspended from office, or he/she has ceased to be a councillor or is not otherwise entitled to receive an allowance, that allowance will be repaid. (See also paragraph 8 below regarding Payments).

3. SUSPENSION OF CO-OPTED MEMBERS

Where a co-opted member is suspended or partially suspended from the Council (Part III of the 2000 Act refers) the Council will not make payment of a co-opted member fee or any allowances claimed for the duration of the suspension (Section 155(1) of the LG Measure).

4. SALARIES & APPROVED DUTIES

Payments of Salaries and Fees will be made at the levels prescribed by the Independent Remuneration Panel for Wales.

Other than in the year of County Council Elections (referred to in paragraph 4.1 below) any increase / reduction in salaries or fees will be payable with effect from the date of the Annual Meeting of the Council approving the scheme for the following Municipal Year, unless prescribed otherwise by the IRPW.

Other than in the year of County Council Elections where Senior Salaries will be payable with effect from the date of appointment any increase/reduction in Senior Salaries will be payable with effect from the date of the Annual Meeting of the Council, unless prescribed otherwise by the IRPW.

4.1 Basic Salary

Basic salary is payable at the same rate to all Councillors. It is paid in recognition of the time devoted by Councillors to their work including incidental expenses, such as inevitable calls on their time as meetings with constituents, political group meetings, attendance at meetings of Town and Community Councils., including the undertaking of approved duties(see para 3.2 below). This will be payable from the 4th day after the election to the council subject to the member having signed their declaration of acceptance of office in accordance with Section 83(1) of the Local Government Act 1972

Basic Salary also covers other incidental costs such as the use of their homes.

Members who are only in receipt of a basic salary are not precluded from receiving a second salary as a member of a Fire & Rescue or National Park Authority.

4.2 Senior Salaries

A Senior Salary is paid to councillors appointed by the Council or Leader of the Council to specific positions i.e. Executive Board Members and Chairs of Committees. Senior salaries will be payable from the date of the Council's Annual meeting.

A Senior Salary must also be paid to the Leader of the largest opposition group (a political group other than a controlling group which has a greater number of members than any other political group in the Council) provided that the group's membership comprises 8 or more members (at least 10% of the Council's members [74]).

The number of Senior Salaries payable by the Council is limited to a total of 18 by the Independent Remuneration Panel for Wales. This maximum number of senior salaries may only be exceeded to include payment of a senior salary to an additional member who is appointed to provide temporary cover for the family absence of a senior salary office holder.

The IRPW has based its remuneration of Council Leaders and Executive Members on the assumption that these roles are full time and this therefore precludes them from receiving a second salary as a member of a Fire & Rescue or National Park Authority.

4.3 Civic Salaries

A Civic Salary is paid to the Chair and Vice Chair appointed by the Council and will be payable from the date of the Council's Annual meeting. The Chair and Vice Chair of the Council receive Civic Salaries under Sections 22 and 24 of the Local Government Act, 1972 to assist them with the expenses of their office.

The Civic Salary includes any out of pocket expenses not otherwise paid directly by the Council in support of the functions of the Chair and Vice Chair of Council.

4.4 Co-opted Members' Payments

Co-opted Members with voting rights will receive payments in recognition of the time devoted to their work associated with and in attending meetings including incidental expenses. Payments will be made via a daily fee at the levels prescribed by the Independent Remuneration Panel for Wales.

Payments will also be made for attending authorised training events, conferences and preliminary meetings convened by Officers.

- l) Attendance at meetings of the Shadow Executive Board* convened by the Chief Executive
- m) Attendance by a Councillor at Meetings of outside bodies to which the Councillor has been formally appointed or nominated by the Council.
- n) Inclusion on the list of approved duties does not necessarily preclude payment for attendance by other bodies (***other than for the Leader, Deputy Leader or an Executive Board Member who is in receipt of a Senior Salary***), and nominated Councillors eligible under schemes operated by such bodies may claim in accordance with any such schemes.
(***claims for travelling and subsistence allowances should not be made to outside bodies and the Council for the same duties.***)

*Originally known as Liaison Meeting for Opposition Spokespersons – see Executive Board Meeting 30/11/2015 (Minute 18)

4.6 Executive Board Members Approved Duties

The following duties are also “approved duties” for the Leader and Executive Board Members:

Attendance at Meetings of the Council, the Executive Board, Committees and Advisory Panels

Attendance at Meetings of Executive Board Members convened for the purpose of taking executive decisions and formally convened by the Chief Executive Activities in connection with the exercise of duties as an Executive Board Member

Attendance by members of the Executive Board at any local, regional or national event where the Leader has, prior to the event, informed the Chief Executive that he/she has nominated them to attend in his/her place as a representative of the Council

4.7 Official openings, public launch events of the Council’s new buildings/services/ facilities within the County

Attendance at public launch events/official openings of new Council buildings/services/ facilities will not be an approved duty unless a formal invitation is received from the Chief Executive to attend.

The attendance of the Leader and relevant Executive Board Members at such events would form part of their duties as a member of the council’s executive.

The attendance of the Chair and Vice Chair of Council at such events would form part of their civic duties.

5. ALLOWANCES

Payments of allowances will be made at the levels prescribed by the Independent Remuneration Panel for Wales.

5.1. Care Allowance

A copy of the Council’s adopted care allowance scheme is set out in Appendix B to this scheme

5.2 Travelling Allowances

Councillors / Co-opted Members must notify the Democratic Services Unit of the Chief Executive’s Department as soon as possible of their impending journey in order that the most economical price can be negotiated where accommodation, rail or air travel will be required. These arrangements will be made by the Democratic Services Unit and paid for by using the corporate credit card which enables the Council to re-claim any VAT charges. The Independent Remuneration Panel for Wales’ view is that Council members should always be mindful of choosing the most cost effective method of travel. Where Councillors are required to travel on Council approved duties (see Section 3.2 above), the following rules will apply

5.2.1 Travel by Rail

All rail travel by councillors / co-opted members must be arranged, at the earliest opportunity, through the Democratic Services Unit in order to maximise savings to the Council. Travel by rail will normally be by standard second class ticket.

Members are permitted to travel by first class rail where work requirements justify such expenditure. (i.e. working on the train prior to attending a meeting the same day). First class apex tickets, or their equivalent, will be provided when they are available and it can be shown that these tickets would produce a saving to the Council over the standard second class rail fare. (Obtaining a first class apex ticket normally requires the ticket to be booked at least a week in advance of the rail journey.)

Rail tickets will be obtained by the Democratic Services Unit for all rail journeys.

5.2.2 Travel by Private Car

When travelling by private car the journey should be undertaken by the shortest route, allowance claims will be verified by the Democratic Services Unit of the Chief Executive's Department and payment made for the shortest route calculated for the journey.

PLEASE NOTE: Members who use a personal vehicle to attend meetings and for approved duties will be required to declare this to their motor insurers and ensure they obtain Business Use. The Democratic Services Unit will ask members to produce their car insurance certificates and driving licence on an annual basis to ensure compliance.

Travelling "in County"

The current travelling allowances paid to councillors and co-opted members for travel by private car, as outlined in Appendix A of this scheme will be payable for journeys within County.

Travelling "Out of County"

When travelling "out of County" councillors and co-opted members must travel by the most cost effective means to the Council, taking into account the cost of travel and time involved in a journey. This will usually be by rail and where rail facilities exist the rate for travel by a member's own car will be the equivalent of the Standard Day Return rail fare in lieu. Expenses incurred such as parking fees, ferry fees and tolls paid for bridges and roads will be refunded on the production of receipts.

However, where the Chief Executive or his representative agrees prior to the journey being made that travel by rail is inappropriate because of meeting start time or inappropriate rail services, the councillor concerned will be authorised to travel using one of the Council's leased cars (provided the Councillor has undertaken a driver assessment course and then authorised to use such a vehicle or, if unavailable, by private car at the travelling allowances outlined in Appendix A of this scheme.

In instances where more than one member is travelling to the same meeting / event outside the County and a member is authorised to travel by private car, then whenever possible, arrangements should be made to share car travel. .

5.2.3 Travelling by Hired Car / Council Leased Car

Councillors may hire cars through the Democratic Services Unit if the total of the hire charge and the petrol used will be less than the Standard Class rail fare. If a car is hired, the hire charge is paid direct by the Council and a claim form has to be submitted for the fuel used. Expenses incurred such as parking fees, ferry fees and tolls paid for bridges and roads will also be refunded on the production of receipts. Prior to being authorised to have the use of a hire / council leased car a Councillor / Co-opted Member must undertake a driver assessment course and be authorised to use such a vehicle. The course will be arranged by the Democratic Services Unit of the Chief Executive's Department in conjunction with the Transport Manager of the Technical Services Department.

(Recognised as good practice under the Council's Fleet Road Risk Policy)

5.2.4 Travel by Taxi / Bus

Where it is reasonable to do so, the actual fare may be claimed on the production of the relevant receipts

5.3 Subsistence Allowances

Claims for subsistence will be paid for the actual expenses incurred supported by the production of receipts and not exceeding the appropriate rates referred to in Appendix A of this scheme.

Note:

Subsistence will not be paid to Councillors when conducting official business within the County of Carmarthenshire.

(This does not apply to Co-opted Members who live outside the County of Carmarthenshire.)

Receipts must be formal documents, showing the name of the business, the date and the nature of the supply. Basic non detailed till roll receipts are not acceptable.

For co-opted members that live outside the County the method of determining the payment of subsistence allowance when undertaking official business within the County, will be as follows:

Breakfast – more than 4 hours before 11.00 a.m.	£4.00
Lunch – more than 4 hours including the period 12 noon to 2.00 p.m.	£8.00
Tea – more than 4 hours including the period 3.00 p.m. to 6.00 p.m.	£3.00
Dinner – more than 4 hours ending after 7.00 p.m.	£13.00

5.4 Overnight Accommodation and “Out of County” Subsistence Allowances

All arrangements for overnight stays by elected members must be carried out by the Democratic Services Unit of the Chief Executive’s Department. Where an approved duty involves an overnight stay from the member's usual place of residence for a continuous period of absence of 24 hours or more outside the County, all reasonable subsistence expenses incurred will be paid on an actual basis ,subject to the production of receipts and not exceeding the appropriate rates referred to in Appendix A of this scheme

A reasonable level of accommodation will be arranged by the Democratic Services Unit (except where the accommodation is provided as part of a conference/seminar or event fee).

Where the accommodation does not include meals then any costs incurred for meals will be paid on an actual basis subject to the production of receipts and not exceeding the appropriate rates as shown in Appendix A of this scheme.

Where Seminar/Conference or Event fees are paid direct by the Council and are inclusive of accommodation but do not include meals then any costs incurred for meals will be paid on an actual basis subject to the production of receipts and not exceeding in total the appropriate rates as shown in Appendix A of this scheme.

Overnight accommodation will not be arranged and paid for within the County of Carmarthenshire.

6 I.T. COMMUNICATIONS SERVICES, EQUIPMENT AND STATIONERY

In the same way that officers are provided with equipment and supplies to enable them to carry out their functions, the Council provides or facilitates the provision of a range of services directly to councillors to assist them with their office costs.

6.1 Data Services / Telephone Lines

The Council will meet the full cost of installing a telephone line for new councillors of the Council who have no telephone and a second (broadband) line for the **exclusive purpose of providing on line data services** (e.g Intranet, Internet E-mail, etc.).

6.2. I.T. Equipment

The Council will provide each councillor with a tablet device and laptop to enable them to access the Council's internal systems and the internet and a basic printer to allow them to print paper copies of correspondence. Appropriate computer software and consumables will also be provided.

(To avoid costly printing of large documents at home, paper copies of large reports will be provided by the Democratic Services Unit of the Chief Executive's department, on request)

(It should be noted that only the Council's own encrypted devices can be linked to the Council's IT Equipment e.g. Memory Sticks, CD's. and that the equipment provided should only be used for Council business.)

Mobile telephones may also be provided free of charge to Executive Board Members if they are necessary to assist them in fulfilling their duties as determined by the Council.

The Council decided at its adjourned meeting held on 1st June, 2012 that that no payments would be made to Councillors and Co-opted members towards their telephone costs (line rental and call charges).

6.3 Office Supplies, Stationery and Postage

Office supplies, such as pens, pencils, postage, files, paper, envelopes, etc. will be provided to councillors at a reasonable level and also direct practical support from the Democratic Services Unit in the preparation of letters, surgery posters, newsletters, obtaining responses to councillor enquiries and so forth.

The Council decided at its adjourned meeting held on 1st June, 2012 that that no payments would be made to Councillors and Co-opted members towards their postage costs

7. PENSION

All councillors will be entitled to join the Local Government Pension Scheme (LGPS) and their Basic and where appropriate Senior Salaries will be pensionable.

8. PAYMENTS

The payment of Basic, Senior and Civic Salaries is incorporated into the monthly payroll system and will be paid automatically by Bank Credit Transfer without any action required by Councillors or Co-opted Members.

These payments are enhanced by the Care Allowance, Travelling and Subsistence Allowances claimed for the previous month. Claims should be submitted on the appropriate forms to the Democratic Services Unit of the Chief Executive's Department within one month of the meeting to which the allowance refers, together with appropriate receipts. Councillors and Co-opted Members are requested to submit regular monthly claims in order that the Council can maintain accurate financial profiles for budget management purposes.

Payment of Co-opted Members' Fees , Care Allowance, Travelling and Subsistence Allowances will be paid in the same way.

Payment is made on the 15th of each month, or the nearest banking day and the appropriate claim form for travelling and subsistence allowances should be submitted to the Democratic Services Unit by the twenty seventh (27th)-day of every calendar month

Note:

Receipts provided must be formal documents, showing the name of the business, the date and the nature of the supply. Basic non detailed till roll receipts are not acceptable.

Councillors and Co-opted Members will lose their entitlement to claim expenses that are more than 3 calendar months in arrears from the date the actual expenditure was incurred.

Only in circumstances such as incapacity due to illness will the Chief Executive or his nominated representative, in consultation with the Leader of the Council, be authorised to pay claims that are in excess of this period.

8.1. Duplicate Payments

All claims made will be signed by Councillors and Co-opted members to signify that they have actually and necessarily incurred expenditure being claimed and will not make any other allowances claims under any enactment for the duties being claimed for. In addition the Democratic Services Unit of the Chief Executive's Department will adopt procedures to ensure that no duplicate payments are made.

8.2 Recovery of Overpayments

Any overpayments made by the authority in error in respect of salaries, allowances, or fees, will be recovered either from the following month's payment or in instalments over a maximum period of 3 months' payments.

That in instances where payment has already been made in respect of any period which a councillor or co-opted member concerned:

Is suspended or partially suspended from that member's/co-opted member's duties or responsibilities in accordance with Part 3 of the 2000 Act or regulations made under that Act.

Ceases to be a member or co-opted member of the authority

Or in any way is not entitled to receive a salary, allowance or fee in respect of that period

Repayment of the sums involved will be sought immediately.

9. INCOME TAX

Basic, Senior and Civic Salaries and Co-opted Members' Fees are taxable and members will be taxed under the normal PAYE system. Daily subsistence for a period of attendance at meetings away from the normal place of attendance (outside the County), tax is non-deductible.

Councillors, Independent and Co-opted Members should contact Her Majesty's Revenue and Customs (HMRC) if they feel they are entitled to allowances against this income. Typical tax deductible expenses which may be claimed by councillors include:-

Travel by Car - An arrangement applies where a member uses his/her own car in the performance of non approved duties which do not attract mileage allowance. This provides for an allowance, calculated using HMRC authorised mileage rates (45p per mile from 2015/16) Members will have to keep records of their mileage on non-approved duties in order to claim this allowance.

Secretarial Expenses - Where payments are made for necessary secretarial assistance involving, for example, drafting replies to letters, typing and filing, and such assistance is not provided by the Authority. Any amounts claimed must be reasonable in relation to the councillor's allowances and to the assistance given. The amounts must actually have been paid to the assistant on a regular basis. HMRC may wish to see evidence of such payments.

Hire of Rooms – The expenditure to be claimed should be limited to the amount incurred and should relate to hire for 'surgeries' or public meetings e.g. planning objections. A claim cannot be allowed in respect of the hire of rooms for party political purposes

Household Expenses - Where additional household expenses are incurred (light, fuel, heating etc.) relating to those parts of councillors' homes that are used for council duties, HMRC will accept a standard deduction (an amount agreed between the Association of Councillors and HMRC) to cover this. If a room is used exclusively for council business, a claim may also be made for the proportion of Council Tax, heat and light relative to that room.

Other Expenses - Members with expenses not covered by the above should itemise them on their tax return. HMRC may require evidence and details of the expenditure.

10. NATIONAL INSURANCE CONTRIBUTIONS

If a Councillor or Co-opted member is under state-pension age and receives taxable allowances equalling or exceeding the current lower earnings limit, there is a liability for Class 1 National Insurance contributions at the standard rate.

Each employment is considered separately for contribution purposes and no account is taken of the fact that a Councillor or Co-opted Member may have another job or is self-employed.

However, there is an annual maximum for contribution liability and in certain instances a Councillor or Co-opted Member may be entitled to a refund. An explanatory leaflet (NP28 People with more than one job) is available from Social Security Offices. In addition leaflet NP 18 is available for people who pay Class 4 contributions and are also self employed.

11. SOCIAL SECURITY BENEFITS

11.1 Benefits Unaffected by Councillors /Co-opted Members' Duties or Allowances

The following benefits should be unaffected by being a Councillor or by any payments they receive for undertaking their duties -

Child benefit and one parent benefit.

Retirement or widow's pension.

Personal Independence Payments or Department for Work and Pensions attendance allowance.

Industrial disablement or war disablement benefit paid because of being assessed as having a percentage disability.

If a Councillor / Co-opted Member is single, and these are the only benefits which they are claiming in their own right, then these benefits are unlikely to be affected by their salaries or fees.

If a Councillor/Co-opted Member receives a married woman's retirement pension or if a their partner claims benefits which include an amount for the Councillor/Co-opted Member as their dependant , then these benefits can be affected by the Councillor's allowances.

Advice should therefore be sought from the Department for Work and Pensions regarding partners under each of the separate benefits available.

11.2 Claiming Benefits - The Basic Rules

The following rules apply if -

Claiming any benefit, other than those listed above; or

A partner claims a means-tested benefit; or

A partner claims an extra amount or retirement pension, unemployment benefit, incapacity benefit, severe disablement allowance, maternity allowance or invalid care allowance for the Councillor / Co-opted Member as his or her dependant.

A Councillor/Co-opted Member must notify the Department for Work and Pensions Office from which they receive the benefits that he/she is an elected Councillor or Co-opted Member. If a partner claims a means-tested benefit or claims for the Councillor/Co-opted Member as his or her dependant, he or she must also tell the relevant benefit offices about their partner's Council duties.

Some Councillors / Co-opted Members may think that if they refuse to accept their Salaries / Fees, this will mean their benefits will not be affected. This is not true. In most cases, the social security rules take into account any income that is available to you, even if you choose not to take advantage of it.

The treatment of different allowances varies from benefit to benefit. For some benefits, the very fact that the Councillor/Co-opted Member is undertaking Council duties (whether or not they get aid for them) can affect their rights to claim. In other cases, it is the level of income from the allowance that affects entitlement.

Social Security benefits is an area of complexity and detailed specialist advice should be obtained from the local office of the Benefits Agency or online at www.gov.uk

12. INSURANCE - PERSONAL ACCIDENT COVER

The Council maintains a Personal Accident Policy to provide benefits for Councillors and Co-opted Members who sustain injuries or who suffer an assault in the course of their duties as a Council Member or a Co-opted Member of a Committee of the Council

The Policy will operate during the time the Member is engaged on Council business, including:

service on behalf of the Council on Committees of other Authorities or bodies, provided no other cover applies in respect of such service, and

direct travel in connection with the above.

The Policy is extended to cover Members' spouses while travelling on official journeys on Council business

The range of benefits are:-

Death	£50,000
Permanent Total Disablement	£50,000 applied on Continental scale
Temporary Total Disablement	£100 per week
Temporary Partial Disablement	£50 per week
Hospitalisation	£20 per day after first day
Convalescence Benefit	£20 per day after first day

N.B. the maximum combined benefit period for hospitalisation and convalescence is 31 days.

Reduced accident benefits are payable to Members aged 70 to 79 years, and no accident benefits are payable to Members aged 80 and over, but the Hospitalisation and Convalescence Benefit are not affected.

The Council also maintains a Business Travel Policy to provide benefits for Members participating in official journeys outside the U.K.

This policy is also extended to cover Members' spouses.

The range of benefits are:-

Death	£150,000
Permanent Total Disablement	£150,000 applied on Continental scale
Medical and other expenses	£1,000,000 per person less £25 excess
Baggage and Personal Effects	£1,500 subject to £250 maximum any one item and £25 excess
Money	£400 any one person and £25 excess

APPENDIX B

CARE ALLOWANCE SCHEME COUNCILLORS AND VOTING CO-OPTED MEMBERS'

In accordance with the requirements of the Independent Remuneration Panel for Wales (IRPW) the Council provides for the payment to Councillors and Co-opted Voting Members of a Care Allowance in respect of such expenses of arranging for the care of children or dependants as are necessarily incurred in the carrying out of that Councillor's duties.

It is a matter for councillors and co-opted members to satisfy the council that it is reasonable and appropriate for them to receive a care allowance

Payment will not be paid:

- in respect of the care of any child aged 15 years or over or dependent(s) unless the councillor / co-opted voting member satisfies the Council that the child or dependant required supervision which has caused him or her to incur expenses that were necessary for the carrying out of his/her duties as a member of the Council.
- to more than one councillor / co-opted voting member in relation to the care of the same child or dependent
- in respect of more than one care allowance to any councillor / co-opted voting member who is unable to demonstrate to the reasonable satisfaction of the Council that he / she has to make separate arrangements for the care of different children or dependants.
- In respect of a sibling providing care who is less than 14 years of age.

The total amount of allowance payable will not exceed the monthly maximum prescribed by the IRPW.

Subject to the above maximum payment the reimbursement of the costs of providing care will be made as follows:

- Care provided by Registered Carers will be reimbursed at cost.
- Care provided by family members or friends will be reimbursed at the appropriate national minimum wage rate per hour:
- Care provided by a responsible sibling will be reimbursed at the Council's prescribed rate per hour

Care allowance is a contribution to actual monthly costs which cannot be annualised.

To be considered for the payment of care allowance, councillors and co-opted voting members will have to complete an application form providing relevant details and will also have to re-apply for the allowance at the beginning of each financial year. Applications for the care of children or dependents aged 15 years of age or over requiring supervision must be supported by a letter from a GP setting out the reasons for supervision.

Applications will be considered and approved by the Chief Executive who may, if necessary, seek the views of the authority's Occupational Health Physician in respect of the need for supervision of children or dependents aged 15 years of age or over.

Claims for care allowance will be submitted to the Chief Executive or his nominated representative by the 25th day of each month and will be accompanied by relevant receipts for payments made showing the name of the registered carer, the date, period of time and nature of the care service provided together with details of the Council duties undertaken by the councillor/co-opted member during that time.

Receipts from registered carers must be formal documents, showing the name of the business/person, the date period of time and the nature of the supply.

In cases where care is provided by a Councillor's / Co-opted Member's family member or friends, the Councillor / Co-opted Member must provide specific details of the nature of the care service provided to the child or dependent, the specific time period and the date.

If there are any changes in councillors' or co-opted voting members' eligibility for the allowance then they must immediately notify the Chief Executive of the changes.

Councillors will forfeit their entitlement to claim expenses that are more than 3 calendar months in arrears from the date the actual expenditure was incurred.

(Only in circumstances such as incapacity due to illness will the Chief Executive or his nominated representative, in consultation with the Leader of the Council, be authorised to pay claims that are in excess of this period.)

Abuse of this scheme will be considered as a breach of the provision in the Members Code of Conduct concerning the stewardship of public funds

NOTE: Responsible Siblings

In view of the fact that an informal carer can include an extended family member, such as a responsible sibling of the child/dependent, and care arrangements can encompass a situation in which a councillor / co-opted voting member requires supervision for his/her child/dependent, even though they would be working from home. It was felt that as a "Corporate Parent" the Council should define what it considered to be a "responsible sibling".

It is very hard to be definitive in respect of a responsible sibling as a lot will be to do with the maturity of the young person, irrespective of age. There is no statutory guidance as to when a child becomes "responsible", however, if the younger sibling that is being cared for is a baby, or a toddler, it is questionable whether a 12 year old would be sufficiently mature to do so. It is also recognised that in some cases 12 year olds can be sufficiently mature to look after a younger sibling.

*Following discussions between the legal services division and senior colleagues in the Children's Services Division it was recommended to Council that the age limit for a responsible sibling should as outlined above be set at 14 years of age which would avoid issues of uncertainty. **This recommendation was adopted by Council at its adjourned annual meeting held on 1st June, 2012***

RIGHT TO FAMILY ABSENCE

A councillor must notify the Chief Executive in writing of his/her intention to take up his/her entitlement to a period of family absence, the councillor may be absent from meetings of the council during that period of family absence. This right will also be available to members of the Executive Board.

Family absence relates to the following:

Maternity absence

a period of maternity absence is not to exceed 26 weeks

Newborn absence

a period of newborn absence in respect of a child must not exceed two weeks period must be a period of at least 56 days beginning with the date of the child's birth.

Adopters absence

a period of new adopters absence in respect of a child must not exceed two weeks

New adoption absence

for a period of adopter's absence in respect of a child not to exceed two weeks period must be a period of at least 56 days beginning with the date of the child's placement for adoption.

Parental absence
