

Carmarthenshire County Council
Review of Polling Districts and Polling Places
Report of (Acting) Returning Officer for Carmarthenshire County Council
October 2023

Polling Districts & Polling Places Review

Introduction

The Electoral Administration Act 2006 as amended, introduced a duty on all local authorities in Great Britain to review their polling districts and polling places at least once every five years.

Under section 18C of the Representation of the People Act 1983, the next compulsory review must be undertaken within a 16-month window between 1 October 2023 and 31 January 2025.

The Act requires that the local authority consults widely before reaching a decision on its preferred electoral arrangements. In addition, the Acting Returning Officer for each constituency is required to submit his or her own proposals for future electoral arrangements. What follows are the proposals for Carmarthenshire County Council.

The Review in Carmarthenshire

Carmarthenshire is divided into 196 polling districts, with one or more polling districts making up a ward, with a polling place being an area or building within a polling district in which a polling station is situated. Consequently, it is inevitable that polling stations are also considered as part of these reviews.

These reviews are based on council areas or parliamentary constituencies and, consequently, it is imperative that the views of the (Acting) Returning Officer are sought and considered.

Polling districts, polling places and polling stations will be considered, and this Review will take into account the following: -

- The position and size of the polling place and whether it is appropriate for the polling district and provides sufficient flexibility.
- The availability of postal votes on demand; and
- The suitability of a polling station with regard to: -
 - Accessibility and effectiveness for the majority of the voters in the polling district; -
 - Facilities for voters and, in particular, for those with a disability; and
 - Whether the premises provide economic efficiency with regard to the number of personal voters allocated at a polling station, in particular if they have less than 100 electors voting in person.

Electoral Ward	Abergwili
Parliamentary Constituency	Caerfyrddin
Electorate	2023
