Guidance Notes

1. Permits will not be issued if the placing of the apparatus on the highway infringes a parking restriction or contravenes any provision of the Highways Act 1980.
2. The Company named above shall indemnify the Council against all actions, proceedings, claims and liability howsoever arising and will require public liability insurance of at least £10 million. The authority will require a copy of the current certificate to be kept on file. A permit will not be issued without proof of insurance.
3. Authority is given to the above-named Company to place such traffic signs on the highway as are required under the Safety at Street Works and Road Works Code of Practice.
4. Attention is drawn to British Standard 7121: Lifting Operations & Lifting Equipment Regulations 1998 which must be considered at all times of operation.
