

STATEMENT OF REASONS

PROPOSED TRAFFIC CALMING MEASURE FOR ACTIVE TRAVEL PURPOSES –

CWMGARW ROAD IN BRYNAMMAN

Carmarthenshire County Council intends to introduce a flat-top raised plateau road hump on Cwmgarw Road, in a location approximately 10 metres east of the junction with Mountain Road in Brynamman.

Carmarthenshire County Council considers the measure to be necessary:

- a) in the interest of road safety; and
- b) to maintain low vehicle speeds within residential areas, areas of walked routes to school and in the vicinity of proposed and existing uncontrolled pedestrian crossing points.
