PART C – CONTRACT PRICE AND PAYMENT

C1. CONTRACT PRICE

- C1.1 The Contract Price for the Services shall be the full and exclusive remuneration due to the Contractor in respect of the provision of the Services. Unless otherwise agreed in writing by the Council, the Contract Price shall include every cost and expense of the Contractor directly or indirectly incurred in connection with the performance of the Services.
- C1.2 Unless otherwise specified in the Specification, the Contract Particulars or in accordance with this Contract (including Clause G4 Law and Change in Law) the Contract Price shall remain fixed for the Contract Period in respect of the Services.
- C1.3 If any changes to the Specification are deemed necessary and are authorised in writing by the Authorised Officer, any revisions to the Contract Price shall be amended in the Contract Particulars.

C2. VAT

- C2.1 The Contractor shall, where it is VAT registered, be entitled to charge the Council VAT in relation to the Services provided to the Council.
- C2.2 The Contractor shall indemnify the Council on a continuing basis against any liability, including any interest, penalties or costs incurred which is levied, demanded or assessed on the Council at any time in respect of the Contractor's failure to account for or to pay any VAT or other liability relating to payments made to the Contractor under the Contract. Any amounts due under this Clause C2.2 shall be paid by the Contractor to the Council not less than twenty (20) Working Days before the date on which the VAT or other liability is payable by the Council.

C3. INVOICING

- C3.1 Unless otherwise specified in the Specification or the Contract Particulars, the Contractor shall invoice the Council for payment of the Contract Price in

accordance with Schedule 3 no later than seven (7) days after the end of each Month (or such other frequency as agreed between the Parties in writing).

C3.2 Every invoice shall include the purchase order number provided by the Council. Invoices shall not be processed by the Council without a purchase order number.

- C3.3 If, following a request by the Council, the Contractor fails without due cause to provide verifiable records to evidence to the reasonable satisfaction of the Authorised Officer the due payment of the Contract Price then the Council shall be entitled to withhold payment. Once evidence is provided the Council shall verify the accuracy of the invoice without undue delay. Any undue delay by the Council in verifying invoices pursuant to this Clause C3.3 shall not be sufficient justification for failing to regard an invoice as valid and undisputed.
- C3.4 Each invoice shall contain the information specified in the Specification and shall quote the purchase order number, any other relevant details including the minimum required information set out in Section 68(9) of the Procurement Act 2023 and a breakdown of the Services provided by the Contractor to the Council. The Council shall be entitled to request further information in order to verify whether an invoice is valid and undisputed and the Contractor shall supply any such information requested within seven (7) days of the Council making a request. VAT and any other tax payable shall be stated separately on invoices and shall be stated to be a net extra charge.
- C3.5 Where the Contractor enters into a Sub-Contract in connection with the provision of the Services, it shall ensure that a Sub-Contract and any sub-contracts entered into by the Contractor's Sub-Contractor contain provisions having the same effect as Clauses C3.1 to C3.3 and C4.1. This Clause 3.5 is without prejudice to any terms for earlier payment that may be agreed between the Contractor and any Sub-Contractor.
- C3.6 The Council shall accept and process for payment any electronic invoice submitted by the Contractor provided that it is undisputed and in a form that complies with the standard for electronic invoicing (and uses any related syntaxes) approved and issued by the British Standards Institution from time to time.

C4. PAYMENT

- C4.1 Unless otherwise agreed and subject to the terms of this Contract, the Council shall pay for Services delivered any valid and undisputed sums due to the Contractor in cleared funds within thirty (30) days of receipt of a valid and undisputed invoice.
- C4.2 In the event that the Council requires additional information from the Contractor to verify and validate an invoice received from the Contractor, payment of valid and undisputed sums shall be made within thirty (30) days of receipt of such supporting documentation from the Contractor. A Contractor invoice is only valid if it includes the minimum required information set out in Section 88(7) of the Procurement Act 2023.

Where any invoice does not conform to the Council's requirements set out in clause C4.2, or the Council disputes the invoice, the Council shall notify the

Contractor without undue delay and the Contractor shall promptly issue a replacement invoice which shall comply with such requirements.

- C4.3 The Council shall make all payments to the Contractor via the bankers' automated clearing service (BACS).
- C4.4 Except for reasons beyond the Council's control, where the Council has not made payment to the Contractor by the due date, the Council shall upon written request by the Contractor pay interest to the Contractor on any amount outstanding at a rate of 4% above the base rate of HSBC Bank. The Parties agree that such a rate is a substantial contractual remedy for the purposes of the Late Payment of Commercial Debts (Interest) Act 1998 and such interest shall be payable from the due date for payment until payment is actually made.
- C4.5 Wherever under the Contract or any other contract between the Parties any sum of money is recoverable from or payable by the Contractor (including any sum which the Contractor is liable to pay to the Council in respect of any breach of the Contract), the Council may unilaterally deduct that sum from any sum then due, or which at any later time may become due to the Contractor, under the Contract.
- C4.6 Any overpayment by either Party, whether of the Contract Price or VAT or otherwise, shall be a sum of money recoverable by that Party who made the overpayment from the Party in receipt of the overpayment.

The Contractor must ensure that all Sub-Contractors are paid, in full, within 30 days beginning with the day on which an invoice is received by the Contractor in respect of the sum; or if later, the date by which the payment falls due in accordance with the invoice, subject to the invoice being verified as valid and undisputed. At the end of the Contract Year, at its own expense, the Contractor will provide a report to the Council setting out its compliance with this clause.

If the invoice is not paid in accordance with the timescales in clause C4.6, the Council can publish the details of the late payment or non-payment.

C5. TAXATION, NATIONAL INSURANCE AND EMPLOYMENT LIABILITIES

The Parties acknowledge and agree that the Contract constitutes a contract for the provision of services and not a contract of employment. The Contractor shall at all times indemnify the Council and keep the Council indemnified in full from and against all claims, proceedings, actions, damages, costs, expenses, liabilities and demands whatsoever and howsoever arising by reason of any circumstances whereby the Council is alleged or determined to have been assumed or imposed with the liability or responsibility for the Staff (or any of them) as an employer of the Staff and/or any liability or responsibility to HM Revenue or Customs as an employer of the Staff whether during the Contract Period or arising from termination or expiry of the Contract.

D3.3 If the Council fails to pay the Contractor valid and undisputed sums of money when due, the Contractor shall notify the Council in writing of such failure to pay. If the Council fails to pay such valid and undisputed sums within ninety (90) Working Days of the date of such written notice, the Contractor may terminate the Contract in writing with immediate effect, provided that such right of termination shall not apply where the failure to pay is due to the Council exercising its rights under this Contract to recover sums from the Contractor.

D3.4 In respect of any right of the Council to terminate the Contract pursuant to Clause D1 (Termination on Insolvency and Other Events) or Clause D2 (Termination on Change of Control) or Clause D3 (Termination on Default), the Council may in its absolute discretion elect to terminate the Contract in whole or in part.
