

# **STATEMENT OF REASONS**

## **REMOVAL OF AN EXISTING ROAD HUMP AND CONSTRUCTION OF A NEW ROAD HUMP NEAR LLANDOVERY**

Carmarthenshire County Council intends to:

- a) remove the existing round-top road hump located approximately 25 metres north of the centre of the junction of Cilycwm Road and the access road leading to Llandovery Leisure Centre; and
- b) construct a new flat-top raised plateau at a location approximately 15 metres north of the centre of the junction of Cilycwm Road and the access road leading to Llandovery Leisure Centre.

Carmarthenshire County Council considers these measures to be necessary because:

- a) the removal of the round-top road hump will enable the creation of an access road to a new housing development site; and
- b) the construction of a flat-top raised plateau approximately 10 metres south of the new housing development will continue to address the issue of excessive vehicle speeds and enhance the safety of all road users.
